Respected Shri Nilesh Mandlewala,

Jay Swaminarayan.

I hope this letter finds you in good health. On hearing about your good work, I was truly awed by your selfless strive to save and better precious lives. The kind of gift you strive to give will lead to a lifetime of peace and prosperity for the recipients. Your good work will not only ensure a longer and happier life for the immediate recipient alone, but also for the friends and family around them. Moreover, as well as putting a smile on the faces of the recipients and their loved ones, your work will also put a smile on the faces of the magnanimous loved ones of the donors too.

Your channeling the distress of the loss of a loved one into a positive drive that would save thousands from such distress is truly inspiring. This is truly a great service to society at large. Your vision, passion, commitment and dedication to this cause will truly flourish into a great service to humanity.

With innermost prayers to Bhagwan Swaminarayan that may you excel in your good work and go on to find success and satisfaction in all that you do, and that you continue to lead a life of higher spiritual and moral values. May he also bless you, your family and all of those that you are able to reach out to with peace, progress, prosperity, health, happiness and harmony.

*Heartiest Tai Shree
